GENERAL LICENSE PROCESS INSTRUCTIONS

Licensing Process:

1. Once the application package is received by Jones Lang LaSalle Brokerage, Inc. (JLL), the application and drawing will be forwarded to the engineering firm to prepare the Exhibit “A” drawings for the contract. This process takes approximately 10 to 15 working days.

2. When the Exhibit “A” is completed, a contract will be prepared and two (2) copies will be forwarded to you for an original signature. A letter will be sent to you that will provide directions regarding insurance and any additional fees.

3. Return the signed contracts (2 contracts with original signatures), along with the appropriate payment to JLL’s Permits Department.

4. The final contracts, with original signatures, will be presented for execution provided payment has been received and insurance has been approved.

5. Once the contract is executed, one original will be returned to you for your files.

6. Prior to commencing any work on the Premises, Licensee shall complete and shall require its contractor (all parties who will be working on the site) to complete the safety training program at Internet Website www.bnsfcontractor.com. This training must be completed no more than one year in advance of Licensee’s entry on the Premises.

7. The cover letter and the executed contract will list the Roadmaster’s name and phone number. You will need to contact the Roadmaster ten (10) days prior to beginning work.

Process Time:

Please be advised that the average time period for completion of this process is 4 weeks from the time that the application is received. Every effort will be made to complete this process in a timely manner.
